DATO' DR. S. K.
DHARMALINGAM

OUR FOUNDING STORY

Established in 1966 by the late Dato' Dr S.K. Dharmalingam, Malaysia's first oncologist, National Cancer Society Malaysia (NCSM) was launched by the late Prime Minister, YAB Tun Abdul Razak, with the strong support and patronage of His Royal Highness the late Sultan Azlan Shah, whose involvement was instrumental in shaping the Society's early direction and growth. NCSM is Malaysia's first not-for-profit cancer organisation providing education, care and support to those affected by cancer and the wider community.

ROYAL PATRONAGE

Under the distinguished patronage of **His Royal Highness Paduka Seri Sultan Perak Darul Ridzuan, Sultan Nazrin Muizzuddin Shah**, reflecting our commitment to serving the nation with excellence and compassion.

OUR FUNDING MODEL

A tax-exempt charity body registered under the Malaysian Societies Act and Registrar of Societies Malaysia. Financed entirely by contributions and donations from the public, ensuring every donation directly supports our mission.

OUR MISSION

To provide **holistic cancer-related services** to cancer patients, caregivers and the public through education, care and support, ensuring no one faces cancer alone.

6 KEY CANCERS

Our Aim:
Reduce the number of individuals being diagnosed in late stages

Our Aim:
Holistic support to support improved treatment and survival of children living with cancer

Our Aim:
Improve disease awareness and equitable access around genitourinary cancer

3 SERVICE PILLARS

EDUCATE

Driving societal transformation on cancer prevention across the entire community

CARE

Supporting equitable screening, early detection and diagnosis of cancer across the entire community

SUPPORT

Supporting and overcoming psychosocial barriers faced by people living with cancer across their treatment journey

EDUCATE

Driving societal transformation on cancer prevention across the entire community

HEALTH ADVOCACY AND POLICY

- Advocacy and policy development on cancer and Noncommunicable disease (NCD)-related issues across the stakeholder landscape.

HEALTH LITERACY

- Developing and implementing community health literacy programmes
- Developing and implementing targeted digital health literacy programmes

HEALTH PROMOTION

- Development and dissemination of health promotion materials
- Development and implementation of focused health promotion programmes for different community segments

HEALTH COMMUNICATIONS

- Development and dissemination of health messages on mainstream media and to communities
- Development and dissemination of health messages on social media
- Development and deployment of national-level campaigns

HEALTH EDUCATION

- Educating and increasing awareness among the community for NCDs and cancer
- Educating and upskilling healthcare professionals (HCPs) on their general health, NCDs and cancer

FOCUS POPULATIONS

- Primary and secondary school children
- Young Adults in colleges and universities
- Remote, rural and underprivileged communities
- Workplace communities
- Healthcare professionals

EDUCATE

Driving societal transformation on cancer prevention across the entire community

HEALTH ADVOCACY AND POLICY

National Cancer Society Malaysia, with support from MCIS Life and the Ministry of Health Malaysia, launched NCSM LungShield, an integrated early lung cancer screening and diagnostic solution.

National Cancer Society Malaysia urges MPs to back the Health Ministry's proposed Generational End Game tobacco control bill.

HEALTH LITERACY

Launch of Pak Lung Mascot during NTCC 2025, officiated by Yang Berhormat Datuk Seri Dr. Dzulkefly Ahmad, Minister of Health Malaysia

The 2nd National Cancer Congress Malaysia (NCCM 2025) convened 1,100 global experts to advance innovation in cancer research, prevention, treatment, and supportive care.

HEALTH PROMOTION

In conjunction with World Cancer Day 2026, National Cancer Society Malaysia and Kementerian Kesihatan Malaysia unite with partners to strengthen community action against cancer.

The Actualising Behavioural Changes in Non-Communicable Diseases (ABCs in NCDs) Summit focused on advancing strategies for NCD prevention and management.

EDUCATE

Driving societal transformation on cancer prevention across the entire community

HEALTH EDUCATION

Our Medical Doctor gave a talk on the importance of early detection, risk reduction, and timely prevention — particularly for older adults — at a community Wellness & Preventive Health Screening.

Our Public Health Executive delivered an engaging and informative Cancer Awareness Talk to Year 9 students at Tree Top International School.

HEALTH COMMUNICATIONS

National Cancer Society Malaysia has created monthly educational post to raise awareness, promote prevention, and empower the community in the fight against cancer.

National Cancer Society Malaysia launched Malaysia's first health digital library, BEAUTY, featuring 44 videos and 48 booklets with comprehensive cancer education resources.

CARE

Supporting equitable screening, early detection and diagnosis of cancer across the entire community

COMMUNITY HEALTH SCREENING AND EARLY DETECTION

- Conducting Community outreach and screening across Malaysia for cancer and other NCDs

CANCER AND HEALTH SCREENING CLINIC

- Conducting screening for cancer and NCDs at CHSC Clinic, Bangunan NCSM, Kuala Lumpur
- Conducting Screening for cancer and NCDs at Poliklinik NCSM Johor Bahru in Iskandar Puteri

CANCER DIAGNOSTIC SERVICES

- Providing an equitable & affordable SPECT-CT Diagnostic Service
- Providing an equitable & affordable PET-CT Diagnostic Service
- Providing an equitable & affordable CT and other Diagnostics Service
- Providing an equitable & affordable Precision/Genomic Diagnostic Service

NATIONAL CANCER INTEGRATED PREVENTION, SCREENING AND EARLY DETECTION PROGRAMMES

- Implementing the Integrated Lung Cancer Screening and Diagnosis Programme
  - LungShield
- Implementing the Cervical and HPV related cancers prevention programme
  - Leaving No One Behind 2.0
- Implementing the Breast cancer screening and early detection programme
  - NCSM-ETIQA Breast Cancer Screening and Detection Ecosystem

CARE

Supporting equitable screening, early detection and diagnosis of cancer across the entire community

COMMUNITY HEALTH SCREENING AND EARLY DETECTION

National Cancer Society Malaysia partnered with MST Golf to provide community cancer screenings in Kluang, Serdang, and Ipoh.

National Cancer Society Malaysia joined Holy Redeemer Church Klang's Cancer Awareness Weekend, offering early screenings and a medical talk.

CANCER AND HEALTH SCREENING CLINIC

National Cancer Society Malaysia holds a Clinic Open Day at the Cancer & Health Screening Centre (CHSC) every quarter.

A group of ladies from the Malaysian Blind Association did a free mammogram screening at the Cancer & Health Screening Clinic.

CARE

Supporting equitable screening, early detection and diagnosis of cancer across the entire community

CANCER DIAGNOSTIC SERVICES

The Medical Technologist positioned the patient prior to the procedure.

The Medical Technologist adjusted the parameters and monitored the image acquisition on the computer.

NATIONAL CANCER INTEGRATED PREVENTION, SCREENING AND EARLY DETECTION PROGRAMMES

National Cancer Society Malaysia onboarded new GP partners for the Leaving No One Behind (LNOB) 2.0 initiative.

National Cancer Society Malaysia held the Pink Etiqa 2.0 free mammogram screening at Cancer & Health Screening Clinic in Kuala Lumpur.

SUPPORT

Supporting and overcoming psychosocial barriers faced by people living with cancer across their treatment journey

PSYCHOSOCIAL SUPPORT SERVICES

- Providing community level dietetics services.
- Providing community level clinical psychology services.
- Providing community level counselling services.
- Providing community level financial counselling services.

CANCER INFORMATION SERVICE (CIS)

(1800-88-1000)

- Providing guidance and information pertaining to cancer and cancer resources across the landscape through multiple communication channels.
- Implementing Digital Navigation services– tracking of at-risk individuals within the community.

GUIDED PATIENT SUPPORT (GPS)

- Providing community navigation services in multiple modalities and communities.

RESOURCE WELLNESS CENTRE

- Organising consistent wellness classes and workshops aimed at improving quality of life of survivors and caregivers.
- Organising activities and providing support to cancer support groups.

HOMES OF HOPE

- Providing free accommodation for out-of-town childhood cancer patients and caregivers through Children's Home of Hope.
- Providing free accommodation for out-of-town adult cancer patients and caregivers through Adult's Home of Hope.

PATIENT THERAPEUTICS ACCESS PROGRAMME

- Collaborate with stakeholders to provide more affordable therapeutics across the cancer landscape for people living with cancer.
- Helming patient access programmes to increase access to innovative, cutting-edge cancer therapeutics.

SUPPORT

Supporting and overcoming psychosocial barriers faced by people living with cancer across their treatment journey

PSYCHOSOCIAL SUPPORT SERVICES

National Cancer Society Malaysia organised the Mental Health Open Day at NCSM-Caritas Home of Hope Ipoh, Perak

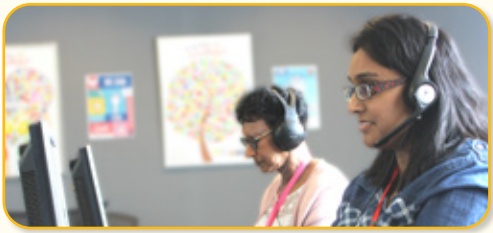

National Cancer Society Malaysia and Pharm-D Health Science launched the NCSM–PDHS VALENS Support Fund to support unique cancer journeys through nutrition access and patient education

CANCER INFORMATION SERVICE (CIS) (1800-88-1000)

National Cancer Society Malaysia's Cancer Information Service team assisting the caller with guidance, support, and reliable information to help them navigate their cancer journey

National Cancer Society Malaysia's Cancer Information Service operates Monday to Friday, 8.30am–4.30pm, and Saturday, 8.30am–1.30pm.

GUIDED PATIENT SUPPORT (GPS)

National Cancer Society Malaysia’s Guided Patient Support organised Patient Navigation Training at NCSM Melaka.

National Cancer Society Malaysia’s Guided Patient Support organised Basic Stoma Care Workshop for NCSM Patient Navigators.

SUPPORT

Supporting and overcoming psychosocial barriers faced by people living with cancer across their treatment journey

RESOURCE WELLNESS CENTRE

National Cancer Society Malaysia holds a Tai Chi class every Saturday for cancer survivors and caregivers.

National Cancer Society Malaysia holds a Chinese Ink Painting class every Thursday exclusively for cancer survivors.

HOMES OF HOPE

Childhood cancer patients and their caregivers took part in activities at the Home of Hope.

NCSM-Caritas Home of Hope, Perak, celebrated Gold September in conjunction with Childhood Cancer Awareness Month.

PATIENT THERAPEUTICS ACCESS PROGRAMME

NCSM PAP collaborates with various stakeholders in trying to provide more affordable medications to patients.

NCSM PAP helps educate patients on their medication accessibility options as per the doctor's prescription.

NTCC 2025
NATIONAL TOBACCO CONTROL CONFERENCE

National Tobacco Control Conference (NTCC) and Lung Health Summit

700 participants (2020)
400 participants (2025)

https://ntcc.cancer.org.my/

A national platform that unites key stakeholders to advance coordinated action towards a tobacco-free society

NATIONAL CANCER CONGRESS MALAYSIA
Bridging Gaps, Building Hope, Empowering Lives

National Cancer Congress Malaysia

500 participants (2024)
1,100 participants (2025)

https://nccm.cancer.org.my/

A national multidisciplinary platform uniting stakeholders to advance cancer prevention, treatment, research, and policy in Malaysia.

NCD
MALAYSIA CONFERENCE
Reducing NCD Burden: A National Priority

NCD Malaysia Conference

700 participants

https://ncdm.cancer.org.my/

A national platform that convenes policymakers, healthcare professionals, civil society, and advocates to advance policy dialogue and coordinated action on non-communicable diseases in Malaysia.

World Cancer Day
4 February

World Cancer Day

630 participants at University of Cyberjaya (2023)

300 participants at Wisma Sejarah (2025)

500 participants at Wisma DBP(2026)

In Malaysia, NCSM also commemorates World Cancer Day in alignment with Union for International Cancer Control's global campaign, reinforcing national efforts to strengthen cancer control and advance health policy advocacy.

RELAY FOR LIFE
National Cancer Society Malaysia
Giving Hope Celebrating Life

Relay for Life

10,500 participants nationwide (2025)

RFL is a global fundraising movement that brings communities together to fight cancer, honouring survivors, remembering loved ones, and raising funds for education and patient support. In Malaysia, NCSM has expanded Relay For Life beyond its original footprint into six additional states, strengthening nationwide community participation in the fight against cancer.

LUMINARIA

Luminaria

1350 participants nationwide

The Luminaria Ceremony is a deeply symbolic segment of Relay For Life, where candle-lit bags bearing the names of loved ones are illuminated in tribute of cancer survivors.

Pink October

Programme that raises breast cancer awareness through screenings, education, survivor support and nationwide community outreach.

National Cancer Society Malaysia joined Pink Ribbon Run 2025, a post-campaign movement to continue raising awareness on the importance of screening and early detection in the fight against breast cancer.

2000 participants

National Cancer Survivors' Day

Programme that celebrate survivors, promote hope, raise awareness of survivorship issues, and strengthen community support through activities, sharing sessions, and outreach initiatives.

National Cancer Society Malaysia organised engaging activities to connect with survivors in honour of the incredible journeys of cancer warriors towards recovery.

45 participants

Movember

Programme that raise health awareness through screenings, education, mental health advocacy, and community campaigns supporting, prevention, screening and early detection of men's cancers.

National Cancer Society Malaysia joined Project Blue Dot, which offered free PSA screenings for early prostate cancer detection.

National Childhood Cancer Carnival

This annual carnival and conference brings together childhood cancer patients, their caregivers, and professionals from across Malaysia.

The cancer survivors and caregivers enjoyed playing games at the Childhood Cancer Carnival in MATIC, Kuala Lumpur.

800 participants (2023) **760 participants (2024)**

World Lung Cancer Day

Programme that raise lung cancer awareness through screenings, education, early detection advocacy, and community outreach initiatives.

National Cancer Society Malaysia collaborated with partners on the Live, Laugh, Lungs Campaign to promote lung health through prevention, screening, treatment access, and education.

International Women's Day

Programme that celebrate women's achievements, promote gender equality, and raise awareness on women's health, rights, and empowerment through education and community activities.

National Cancer Society Malaysia took part in the "Hands of Health" event in conjunction with International Women's Day by providing free clinical breast

100 participants

TUN RAZAK DIGITAL LIBRARY

The Tun Razak Digital Library serves as a centralised repository of the Society's publications on cancer prevention, care, treatment, and support, freely accessible and continuously updated for the benefit of all Malaysians.

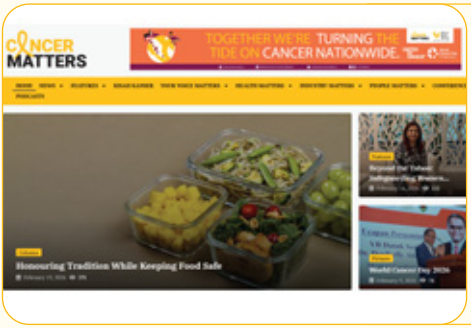

https://cancer.org.my/get-ahead/tun-abdul-razak-digital-library/

BEAUTY LIBRARY

BEAUTY (Bringing Education and Understanding To You) integrates health education and preventive support into trusted community spaces in barber shops and beauty salons. Together, these interconnected solutions form a scalable, sustainable ecosystem designed to expand into a nationwide community-based health umbrella system.

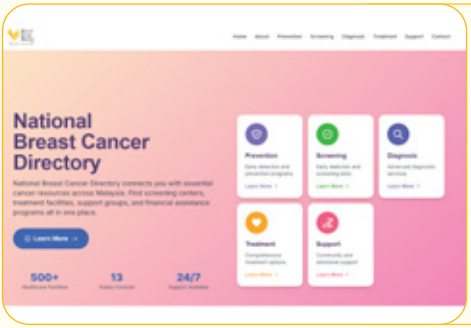

https://beauty.cancer.org.my/

CANCER MATTERS

Cancer Matters is an initiative by the National Cancer Society of Malaysia dedicated to raising awareness and sharing essential knowledge on cancer prevention, treatment, and care. As a bilingual platform, it aims to reach diverse communities and ensure accessible, reliable information for all.

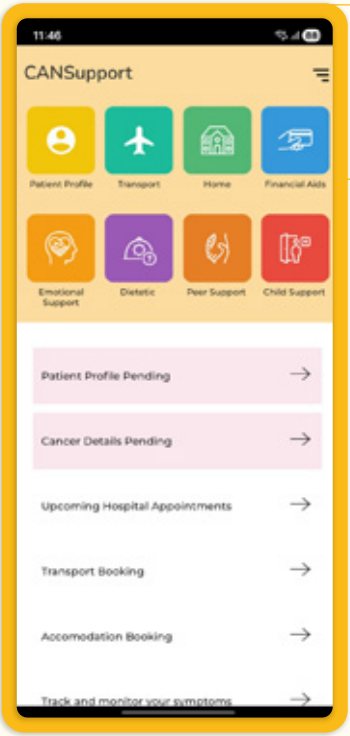

https://cancermatters.cancer.org.my/

NATIONAL CANCER DIRECTORY (BREAST)

National Breast Cancer Directory connects you with essential cancer resources across Malaysia. Find screening centers, treatment facilities, support groups, and financial assistance programs all in one place.

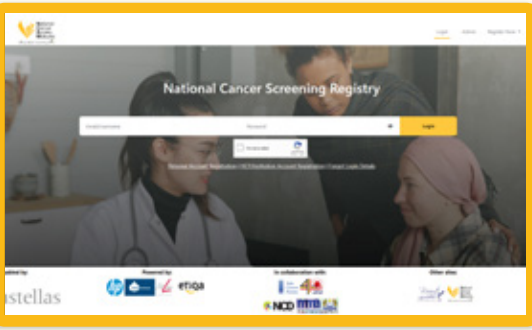

https://breast.cancer.org.my/

CAN SUPPORT

https://cansupport.com.my/

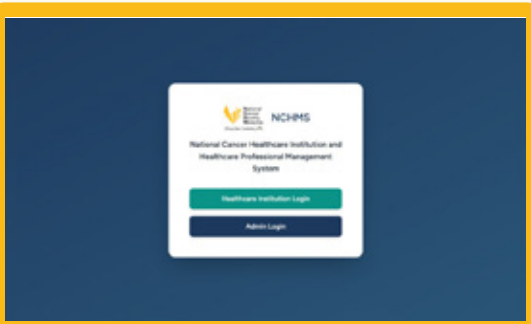

A platform for cancer patients and caregivers can request for psychosocial support such as transportation, homes, financial aids, dietetic, peer support, counselling & play therapy. Our aim is to go thru the cancer journey with you and provide support financially, mentally & physically

NATIONAL CANCER SCREENING REGISTRY (NCSR)

https://ncsr.cancer.org.my

National Cancer Screening Registry is a centralised database tracking cancer screenings, outcomes, and follow-ups to improve early detection, patient care, and cancer prevention programs nationwide.

NATIONAL CANCER HEALTHCARE INSTITUTION AND HEALTHCARE PROFESSIONAL MANAGEMENT SYSTEM

https://nchms.cancer.org.my/

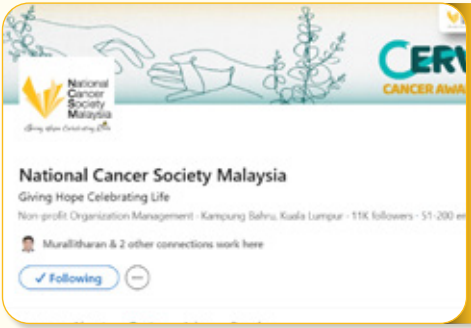

The National Cancer Healthcare Institution and Healthcare Professional Management System (NCHMS) is a centralised national platform developed by the National Cancer Society of Malaysia (NCSM) to manage the onboarding, accreditation, and operational participation of healthcare institutions and healthcare professionals across NCSM cancer screening programmes.

NATIONAL CANCER SOCIETY MALAYSIA FACEBOOK PAGE

The National Cancer Society Malaysia (NCSM) Facebook page shares updates on cancer awareness, prevention, and support initiatives in Malaysia.
